

# ACULUX®

## Trims Finish Chip Set

### Indisputably Stunning

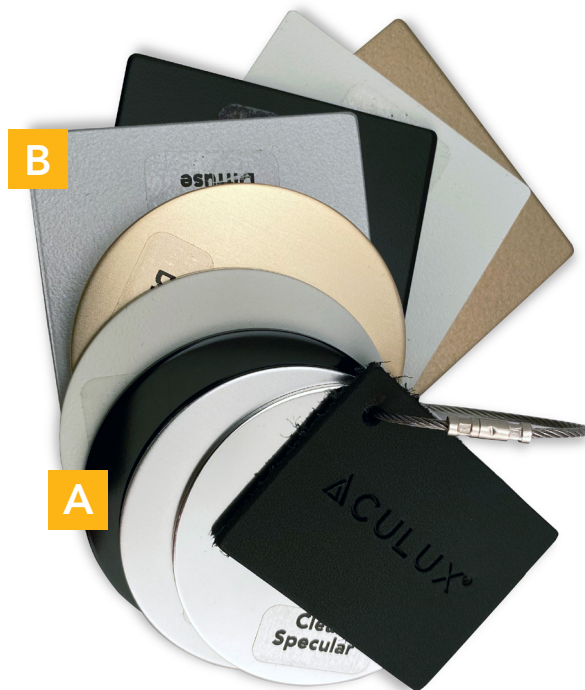

All of our Aculux trim finishes are now available in a convenient chip set allowing you to specify with confidence and precision. Each chip set is either in a round or square shape to represent our round and square trims finishes. In addition, a label has been affixed to each finish chip for easy identification.

### Trims Finish Chip Set includes:

- A Round Finishes**
- Clear Specular
  - Clear Diffuse
  - White Paint
  - Wheat Diffuse
  - Black Specular

- B Square Finishes:**
- Clear Diffuse
  - White Paint (also used on Round and Square Bevel and Pinhole Trim styles)
  - Black Diffuse (also used on Round and Square Bevel and Pinhole Trim styles)
  - Wheat Diffuse

- C Aculux-branded protective storage pouch with drawstrings**

Disclaimer: This sample is representative of the above production finishes and due to surface and manufacturing variances, may not exactly match production. Specifications subject to change without notice.
