

# Juno<sup>®</sup> Trac Finish Chip Sets

This Juno Trac finish chip set serves as a great tool to showcase the most popular Juno Trac finishes available for Track, enabling your customers to better envision their lighting projects.

Chip sets are secured with a 1.5" loose-leaf ring, allowing for future updating, and includes a Juno-branded key ring with a Juno-branded protective storage pouch:

- A** **WH1** – White Semi-Gloss
- BL1** – Black Semi-Gloss
- SLVR1** – Silver Metallic
- BZDM1** – Bronze Metallic
- WTP1** – White Textured
- BTP1** – Black Textured
- SC** – Satin Chrome

- B** Juno-branded protective storage pouch with drawstrings

**A**

**B**

**Disclaimer:** This sample is representative of the above production finishes and due to surface and manufacturing variances, may not exactly match production. Specifications subject to change without notice.
